

## APPLICATION FOR IATM 2024 CONFERENCE BURSARY

Skill Bridge is extending its mandate to include funding support for the IATM conferences for staff that would not necessarily be eligible to attend. This Skill Bridge Bursary is aimed at staff below the level of senior management within an organisation and for applicants that have not previously attended an IATM conference.

We provide funding for your travel and accommodation for the annual conference of up to 1000€ (including the conference fee).

As an applicant, you must be a full-time employee, in a current position that is below that of senior management, in a museum that is an IATM member.

Process:

- Fill out the application below, including a written proposal on why attendance to this conference is important for your position within your organisation
- Only applications approved by their home organisations are eligible
- Submit the application and proposal via email to IATM Board Member Stephen Quick by 30 June 2024: [Squick242@me.com](mailto:Squick242@me.com) / Subject: Skill Bridge Bursary 2024
